Subject: Microsoft Settlement

As a citizen, a business person, and more importantly a parent; I feel the settlement is fair, just, timely, and makes a difference in the lives of children who are in desperate need o f the fruits of this settlement.

I just came back from Puerto Rico, where they were very supportive of receiving the benefits to the k-12 education system.

Please stop this clearly biased lawsuit protocol and move on.

Respectfully,
David Roberts
Father, Husband, and concerned citizen
